Dear Parents / Carers

2027 Costs Associated with Schooling:

Please find below advanced notification of the relevant costs of schooling for 2027. This is **NOT** an invoice.

Personal Items:

These are items that students need for use in lessons. You may order online through the Campion Education website or purchase from another supplier. All orders via Campion result in a monetary return via a rebate to the school as we receive a percentage of sales.

Contributions:

We have again included school and P&C voluntary contributions on the personal items list for ease of payment. There are three kinds of voluntary contributions:

- **School:** The Port Hedland PS School Board has maintained school contributions at \$60 per child for 2027 which benefits the students in the classroom. Teachers purchase additional classroom resources from the contributions collected – such as Mother's / Father's Day craft, classroom display materials, special paint, rewards, student well-being initiatives, curriculum materials and resources etc.
- **P&C:** The P&C sets its own voluntary contribution. For 2027 it is \$20 per child with a family cap of \$40. This contribution is donated to the school for items agreed between the P&C and school, such as Book-week, ICT equipment, Reading Books, buses and support for events such as the End of Year Awards. Further fund-raising events arranged by the P&C throughout the year provide money for additional projects such as new play equipment, re-surfacing of play areas, upgrades to signage, and future school improvements and equipment.
- **Buildings and grounds voluntary contribution:** As part of our commitment to providing a flexible outdoor learning environment for the students which will make up a part of our 2026 – 2029 Business Plan, the school is investing in improving the grounds around the school with a whole school site vision of improving the play areas for students through a focus on shade and playground structures. A \$20 per student Voluntary Contribution will go towards helping us realise this vision.

Charges:

Charges are compulsory costs requested for curriculum programs such as incursions and excursions. Where parents permit their child to participate, a charge is made that is mandatory.

We accept payment for voluntary contributions and charges via the booklist through Campion, via COMPASS app notifications, by bank transfer, EFTPOS or cash.

Families who are experiencing hardship are encouraged to contact our Manager Corporate Services, on 9174 6000 to arrange alternative options.

In 2027 it is expected that there will be charges for the following items up to but not exceeding the following amounts:
